

Bush Awareness For General Staff

Certification

Graduates receive DTA Short Course Certificate

Duration

1 day (8 hours)

Course Description

The Bush Awareness for General Staff course is an intensive one-day program designed to empower lodge and hospitality staff with essential bush safety knowledge. Participants learn how to stay alert, assess risks, and respond confidently to wildlife encounters—all while fostering respect for nature. This highly practical course equips staff to create a safer environment for themselves, their colleagues, and guests, ensuring every safari experience is both secure and memorable.

Course Outcome

- Discover how to spot and avoid potential bush hazards before they become problems.
- Understand animal behaviour to prevent conflict and promote harmony in wildlife areas.
- Gain confidence in assessing risks and making quick, informed decisions.
- Learn practical steps to take when encountering dangerous animals.
- Master simple strategies to stay alert and prevent accidents.
- Acquire essential first aid skills for bush-related emergencies.
- Develop a conservation-minded approach, showing respect and sensitivity toward all wildlife.

Topics Covered

- Potential Risks
- Animal Behaviour
- Environmental Factors
- Risk Assessment
- General Procedure for Encountering
- Dangerous Animals
- Mitigating Risks
