THE STORY

“We pride ourselves in keeping things traditional, like it was done in the 50’s, when wine was last made at Natte Valleij.”
Alex Milner (owner and winemaker)

Focusing primarily on Cinsault, Alexander’s passion is seeking out forgotten patches of old dry-land bush vines that he felt would offer exceptional quality and interest.

Our philosophy at Natte Valleij Wines is simple, respect the soil, the vine and the wine, with minimal interference and pretence.
